To convert heat output to BTU/hr multiply the figure shown for watts by 3.412

All heat outputs in this list are calculated in accordance with BS EN442, based on a Delta T of 60°C - for an explanation of this and to calculate performance at different Delta Ts please see the technical pages in the brochure or on the website.

Connections are 1/2" BSP opposite end side unless otherwise specified

Bottom connections can be specified for £56.93 extra per radiator

All Eskimo products are manufactured in the UK

To convert heat output to BTU/hr multiply the figure shown for watts by 3.412
 All heat outputs in this list are calculated in accordance with BS EN442, based on a Delta T of 60°C - for an explanation of this and to calculate performance at different Delta Ts please see the technical pages in the brochure or on the website.

Connections are 1/2" BSP opposite end side unless otherwise specified

Bottom connections can be specified for £56.93 extra per radiator

All Eskimo products are manufactured in the UK
